The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting community project funding for the Henderson Airport Terminal Building Remodeling in fiscal year 2024. The entity to receive funding for this project is Clark County Department of Aviation located at East, 1845 E Russell Rd, Las Vegas, NV 89119.

The funding would be used to remodel and expand the existing terminal building at Henderson Executive Airport to improve the capacity and energy efficiency of the airport.

The project is a good use of taxpayer funds because the improved terminal building will help to accommodate and attract additional general aviation passenger traffic and volume away from LAS to HND. With increased capacity, the HND airport will be able to benefit the community by supporting the Las Vegas Valley's economy through increased access to tourism-boosting activities.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Steven Horsford".
